Thank you for the excellent service this week at our event. The room was as expected - clean and in order. The service and food was very good. I believe our staff looks forward to the food portion of our training event. Always very well done.

- Steve Pieshala, Growmark

In short, you and the entire Convention Center staff of waiters, bartenders, cooks, and facilities staff are to be commended for your hard work and attention to detail. Our over 600 guests enjoyed a fun and relaxing evening.

FACILITY FOCUS

SHOWCASING AREAS THROUGHOUT THE FACILITY

Room 201

Room 201, or the New Enterprise Stone & Lime Co., Inc. Room is our Executive Board Room. It is located just outside of the Meeting Room Hallway. It is seated in a U-Shape for ##. At the open end, there is a 85" 4K Flat Screen TV, providing the presenter a quick HDMI or Bluetooth connection and delivers a high quality picture to the entire team. Maroon walls complement the space, while refreshed carpet elevates the ambiance, ensuring a first-class experience. And don't forget the beautiful view of Blair County!

Doing Better Business Room

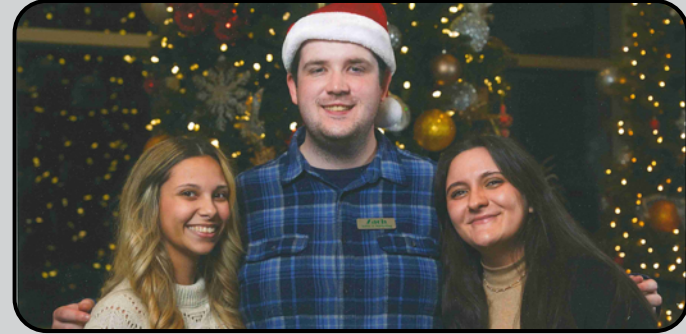

The Doing Better Business room, named after it's room sponsor, is located in the main entrance foyer. It can seat 20 guests comfortably in a board room setting. Two 4k Flat Screen TVs mounted on either side of the room with HDMI and Bluetooth connections make it is a great space for meetings. These meetings can even transition to hybrid formats with the use of our Owl Conference Camera. Since it's so close to the main entrance, it is occasionally used as a command center for large shows and expos.

EMPLOYEE OF THE MONTH

SALES & MARKETING TEAM

Our small, attentive professional team includes event planners that engage in constant communication with each guest to ensure every detail is planned accordingly. Our marketing initiatives assist with the internal directional signage, creative advertisements, and website along with the Newsletter and Event Reporter. The Sales Team is a young group but enjoys each opportunity to grow professionally and showcases the camaraderie that has been built within the BCCC.
