FACILITY FOCUS

SHOWCASING AREAS THROUGHOUT THE FACILITY

Show Planner's Office & Meeting Room

The Show Planner's Office has long stood next to the exhibit hall for event planners to coordinate their events from. As business grows, we need more meeting space! The Show Planner's Office now serves a double purpose. It provides another meeting space/breakout room on the Lower Level. The room can comfortably fit 6 rounds seated for 6 guests each, leaving room for a head table and podium. All focused on the 4K Flat Screen TV at the front with HDMI and Bluetooth connections. New carpet will be following soon! Having doorways and rolling counter doors to both the Lower Level Lobby and Exhibit Hall make it great for a operations center, or even a private meeting, during an exposition show.
