FLEXIBILITY STARTS IN THE LOBBY!

Our Allegheny Lobby offers more than just a beautiful first impression!

The Allegheny Lobby combines an open, welcoming atmosphere with the flexibility to support a wide variety of events. With ample space for vendor tables, registration areas, networking, and more, the lobby can easily become an extension of the event itself. It's another example of how the BCCC can adapt its spaces to fit the needs of every group!

CLASSIC ROCK TAKES THE STAGE AT THE BCCC!

ArtsAltoona brings two legendary sounds together for one unforgettable night!

On August 30th, ArtsAltoona will bring Classic Tributes Live to the BCCC for a high-energy double feature celebrating the music of the Steve Miller Band and the Doobie Brothers. Space Cowboy and Oh Black Water will perform fan favorites from both legendary groups, including hits like "The Joker," "Fly Like an Eagle," "Listen to the Music," and "What a Fool Believes." Guests can look forward to a full night of live music with both general admission and upgraded VIP experiences available!

BLAIR COUNTY SPOTLIGHT

SOUTHERN ALLEGHENIES MUSEUM OF ART

This month's Blair County Spotlight shines on the Southern Alleghenies Museum of Art, a community art museum with an Altoona location in the heart of downtown. Founded in 1976, SAMA has spent 50 years connecting communities throughout the region with art, education, and cultural experiences. The museum maintains a permanent collection of more than 7,500 works from local, regional, national, and international artists while presenting dozens of exhibitions across its locations each year. From paintings and photography to sculpture and mixed media, there is always something new to discover, and general admission remains free for visitors.

Along with its rotating exhibitions and permanent collection, SAMA offers art classes, workshops, community events, and award-winning educational programs that bring professional artists and art experiences directly to students throughout the region. Its Altoona museum provides Blair County with an accessible space to explore new artists, revisit familiar favorites, and experience the arts right in our own backyard. By combining creativity, education, and a commitment to making art available to everyone, the Southern Alleghenies Museum of Art continues to strengthen the cultural fabric of Blair County. Consider this your official excuse to spend an afternoon wandering the galleries!
