SCI-FI VALLEY CON

Join us at the BCCC from June 12th through June 14th for Sci-Fi Valley Con, one of the region's favorite celebrations of fandom, creativity, and pop culture! This exciting weekend brings together celebrity guests, cosplay, vendors, gaming, panels, and plenty of fan-favorite moments all under one roof. Whether you're a longtime attendee, a collector, a cosplayer, or just looking for a fun weekend experience, Sci-Fi Valley Con is the perfect chance to celebrate the stories, characters, and communities that bring fans together!

BLAIR COUNTY SPOTLIGHT

CPAHM

This month's Blair County Spotlight shines on the Central Pennsylvania American History Museum, a nonprofit organization dedicated to educating local youth about our nation's history and inspiring pride, patriotism, and future leadership! As the museum prepares for an exciting new chapter with a future location in Altoona, it continues working to bring meaningful stories, important lessons, and a deeper appreciation of American history to Blair County.
