THE CONVENTION CONNECTION

MAY EVENT REPORTER

May has arrived, and the Blair County Convention Center is ready for a busy month ahead! With warmer days, fresh energy, and a full lineup of events on the calendar, our facility is excited to welcome guests, organizations, and community members for another great month in Blair County!

VOICES OF VALOR

Join us at the BCCC on May 30th for Voices of Valor: Stories from the Front Lines, presented by the Central Pennsylvania American History Museum! This powerful event will honor the experiences of Vietnam War veterans through firsthand storytelling, historical insight, and meaningful reflection. Whether you're a veteran, a history enthusiast, or simply looking to hear stories of courage and service, this event offers a special opportunity to come together and recognize those who served!

BLAIR COUNTY SPOTLIGHT

MAMA RANDAZZO'S

This month's Blair County Spotlight shines on Mama Randazzo's, a local favorite rooted in family, tradition, and authentic Sicilian cooking! Inspired by recipes passed down from Mama Randazzo's childhood in Sicily, this Altoona staple serves up homemade Italian specialties, pizza, subs, wings, salads, and more. Whether you're stopping in for a classic comfort meal or discovering a new favorite, Mama Randazzo's brings generations of flavor and family pride to Blair County!
